

Autumn Coffee Evenings at Costa

In the run up to Christmas and as the autumn and winter nights draw in, join us for some special coffee evenings at Costa!

Learn how to make your favourite type of coffee the way that baristas do, or just sit, chat and enjoy good coffee.

Gary, the Manager, who is hosting these events along with Graeme Stickings, member of the **Autism Friendly Newcastle** Steering Group, will be opening up the section of the store that is usually only accessible from the platform side of the barriers at Newcastle Central Station for these special Autism Friendly Newcastle events at one of the UK's most popular coffee chains. **No platform tickets needed!**
