Working with Percy Hedley College students and Disability North
we have developed Phase 5 of the Employability Toolkit.

Toolkit Phase 5

This Phase represents a shift from employability to employment and its focus is to provide a 'platform' to create real 'Paid Work' opportunities for disabled people.

The aims of the events are to:

- ✓ Raise awareness of disability
- ✓ Discover more about job carving
- ✓ Encourage commitment from employers to identity a job role and recruit a disabled person
- ✓ Demonstrate the business benefits of employing disabled people
- ✓ Provide support to employers in carrying out best practice and become Champions in
- ✓ Disability Equality

The session will be presented by the Employability Project from
Percy Hedley Foundation, Disability North, students from the Percy Hedley College
and guest speakers from Gateshead Council and The Struan Foundation.

Places are limited, so please remember to contact us to book your space.
